LANGUAGE, SPEECH, AND HEARING SERVICES IN SCHOOLS
INDEX TO VOLUME 16, 1985

Author Index 299
Subject Index 300
Title Index 302

Author Index

Andrews, M. L. Response to Peterson-Falzone (Letter to the Editor). April 1985, 140-141.

Backiel, T. Additional resources—Supplement to information on battery-operated toys. Jan. 1985, 79.

Bullett, M. S. Certification requirements for public school speech-language pathologists in the United States. April 1985, 124-128.

Campanelli-Humphreys, A. L. *See* Lass et al., July 1985, 211-222.

Carlin, M. F. *See* Lass et al., July 1985, 211-222.

Culross, R. R. Adaptation of the pictorial self-concept scale to measure self-concept in young hearing-impaired children. April 1985, 132-134.

Deal, R. E., & Thornton, R. B. An exploratory investigation of the comprehension of English through Sign English (Siglish) and seeing essential English (SEE_1). October 1985, 267-279.

DeGregorio, N. J., & Polow, N. Effect of teacher training sessions on listener perception of voice disorders. Jan. 1985, 25-28.

Diaz, S. The need for speech-language pathologists in California public school districts: A survey of school year 1980-81. Jan. 1985, 34-40.

Garves, M. M. *See* Shelton & Garves, April 1985, 129-131.

Goldgar, D. E. *See* Watson & Goldgar, Jan. 1985, 53-57.

Greenough, P. *See* Illerbrun et al., October 1985, 280-292.

Gross, G. H., St. Louis, K. O., Ruscello, D. M., & Hull, F. M. Language abilities of articulatory-disordered school children with multiple or residual errors. July 1985, 171-186.

Haines, L. *See* Illerbrun et al., October 1985, 280-292.

Hall, P. K. *See* Jordan & Hall, October 1985, 227-243.

Hall, P. K., & Jordan, L. S. The Token and Reporter's Tests: Use with 123 language-disordered students. October 1985, 244-255.

Hedrick, D. L. *See* Klecan-Aker & Hedrick, July 1985, 187-198.

Hull, F. M. *See* Gross et al., July 1985, 171-186.

Hushion-Stemple, E. A. *See* Lass et al., July 1985, 211-222.

Illerbrun, D., Haines, L., & Greenough, P. Language Identification Screening Test for kindergarten: A comparison with four screening and three diagnostic language tests. October 1985, 280-292.

Jelinek, J. A. A model of services for young handicapped children. July 1985, 158-170.

Jordan, L. S. *See* Hall & Jordan, October 1985, 244-255.

Jordan, L. S., & Hall, P. K. The Token and Reporter's Tests using two scoring conventions: A normative study with 286 grade and junior high students. October 1985, 227-243.

Joseph, L. S. *See* Shrewsbury et al., October 1985, 293-298.

Judy, J. M. *See* Lass et al., July 1985, 211-222.

Kamhi, A. G., & Koenig, L. A. Metalinguistic awareness in normal and language-disordered children. July 1985, 199-210.

Klecan-Aker, J. S., & Hedrick, D. L. A study of the syntactic language skills of normal school-age children. July 1985, 187-198.

Klick, S. L. Adapted cuing technique for use in treatment of dyspraxia. October 1985, 256-259.

Knutson, P. J. *See* Lowe et al., April 1985, 119-123.

Koenig, L. A. *See* Kamhi & Koenig, July 1985, 199-210.

Krueger, B. Computerized reporting in a public school program. April 1985, 135-139.

Laraway, L. A. Auditory selective attention in cerebral-palsied individuals. October 1985, 260-266.

Lass, N. J. *See* Shrewsbury et al., October 1985, 293-298.

Lass, N. J., Carlin, M. F., Woodford, C. M., Campanelli-Humphreys, A. L., Judy, J. M., & Hushion-Stemple, E. A. A survey of classroom teachers' and special educators' knowledge of and exposure to hearing loss. July 1985, 211-222.

Leonard, J. S. *See* Leonard & Leonard, April 1985, 110-118.

Leonard, L. B., & Leonard, J. S. The contribution of phonetic context to an unusual phonological pattern: A case study. April 1985, 110-118.

Lord-Larson, V. *See* McKinley & Lord-Larson, Jan. 1985, 2-15.

Lowe, R. J., Knutson, P. J., & Monson, M. A. Incidence of fronting in preschool children. April 1985, 119-123.

Matkin, A. M., & Matkin, N. D. Benefits of total communications as perceived by parents of hearing-impaired children. Jan. 1985, 64-74.

Matkin, N. D. *See* Matkin & Matkin, Jan. 1985, 64-74.

McKinley, N. L., & Lord-Larson, V. Neglected language-disordered adolescent: A delivery model. Jan. 1985, 2-15.

Monson, M. A. *See* Lowe et al., April 1985, 119-123.

Moss, S. A. *See* Paden & Moss, April 1985, 103-109.

Paden, E. P., & Moss, S. A. Comparison of three phonological analysis procedures. April 1985, 103-109.

Pannbacker, M. Common misconceptions about oral pharyngeal structure and function. Jan. 1985, 29-33.

Pannbacker, M. Response to Madison, Meadors, and Miller (Letter to the Editor). July 1985, 223.

Pecyna, P. M., & Sommers, R. K. Testing the receptive language skills of severely handicapped preschool children. Jan. 1985, 41-52.
Plakke, B. L. Hearing conservation in secondary industrial arts classes: A challenge for school audiologists. Jan. 1985, 75-79.
Polow, N. *See* DeGregorio & Polow, Jan. 1985, 25-28.
Reichle, J., & Ward, M. Teaching discriminative use of an encoding electronic communication device and signing exact English to a moderately handicapped child. Jan. 1985, 58-63.
Reichle, J., & Yoder, D. E. Communication board use in severely handicapped learners. July 1985, 146-157.
Ruscello, D. M. *See* Gross et al., July 1985, 171-186.
St. Louis, K. O. *See* Gross et al., July 1985, 171-186.
Schetz, K. F. Comparison of the Compton speech and language screening evaluation and the Fluharty preschool speech and language screening test. Jan. 1985, 16-24.
Shelton, I. S., & Garves, M. M. Use of visual techniques in therapy for developmental apraxia of speech. April 1985, 129-131.
Shrewsbury, R. G., Lass, N. J., & Joseph, L. S. A survey of special educators' awareness of, experiences with, and attitudes toward nonverbal communication aids in the schools. October 1985, 293-298.
Sommers, R. K. *See* Pecyna & Sommers, Jan. 1985, 41-52.
Thornton, R. B. *See* Deal & Thornton, October 1985, 267-279.
Ward, M. *See* Reichle & Ward, Jan. 1985, 58-63.
Watson, B. U., & Goldgar, D. E. A note on the use of Hiskey-Nebraska test of learning aptitude with deaf children. Jan. 1985, 53-57.
Woodford, C. M. *See* Lass et al., July 1985, 211-222.
Wren, C. T. Collecting language samples from children with syntax problems. April 1985, 83-102.
Yoder, D. E. *See* Reichle & Yoder, July 1985, 146-157.

SUBJECT INDEX

HEARING

NATURE OF HEARING AND ITS DISORDER

Effects of Noise and Issues in Hearing Conversation

Hearing conservation in secondary industrial arts classes: A challenge for school audiologists. Plakke, B. L. Jan. 1985, 75-79.

INTERVENTION

Habilitation, Rehabilitation, and Education

Benefits of total communications as perceived by parents of hearing-impaired children. Matkin, A. M., & Matkin, N. D. Jan. 1985, 64-74.
An exploratory investigation of the comprehension of English through Sign English (Siglish) and seeing essential English (SEE_1). Deal, R. E., & Thorton, R. B. October 1985, 267-279.
A note on the use of Hiskey-Nebraska test of learning aptitude with deaf children. Watson, B. U., & Goldgar, D. E. Jan. 1985, 53-57.

Psychosocial Assessment of Hearing

Adaptation of the pictorial self-concept scale to measure self-concept in young hearing-impaired children. Culross, R. R. April 1985, 132-134.

Survey on Hearing Loss

A survey of classroom teachers' and special educators' knowledge of and exposure to hearing loss. Lass, N. J., Carlin, M. F., Woodford, C. M., Campanelli-Humphreys, A. L., Judy, J. M., & Hushion-Stemple, E. A. July 1985, 211-222.

LANGUAGE

NATURE OF NORMAL LANGUAGE

Language Development

Collecting language samples from children with syntax problems. Wren, C. T. April 1985, 83-102.
A study of the syntactic language skills of normal school-age children. Klecan-Aker, J. S., & Hedrick, D. L. July 1985, 187-198.

Verbal Learning and Memory

Auditory selective attention in cerebral-palsied individuals. Laraway, L. A. October 1985, 260-266.

LANGUAGE DISORDERS

Language Disorders in Children

Collecting language samples from children with syntax problems. Wren, C. T. April 1985, 83-102.
The contribution of phonetic context to an unusual phonological pattern: A case study. Leonard, L. B., & Leonard, J. S. April 1985, 110-118.
Language abilities of articulatory-disordered school children with multiple or residual errors. Gross, G. H., St. Louis, K. O., Ruscello, D. M., & Hull, F. M. July 1985, 171-186.
Language Identification Screening Test for kindergarten: A comparison with four screening and three diagnostic language tests. Illerbrun, D., Haines, L., & Greenough, P. October 1985, 280-292.
Metalinguistic awareness in normal and language-disordered children. Kamhi, A. G., & Koenig, L. A. July 1985, 199-210.
Testing the receptive language skills of severely handicapped preschool children. Pecyna, P. M., & Sommers, R. K. Jan. 1985, 41-52.
The Token and Reporter's Tests: Use with 123 language-disordered students. Hall, P. K., & Jordan, L. S. October 1985, 244-255.

Learning Disabilities

Collecting language samples from children with syntax problems. Wren, C. T. April 1985, 83-102.
Metalinguistic awareness in normal and language-disordered children. Kamhi, A. G., & Koenig, L. A. July 1985, 199-210.

Language Disorders in Mental Retardation

Communication board use in severely handicapped learners. Reichle, J., & Yoder, D. E. July 1985, 146-157.

Teaching discriminative use of an encoding electronic communication device and signing exact English to a moderately handicapped child. Reichle, J., & Ward, M. Jan. 1985, 58-63.

Assessment and Intervention

Screening

Comparison of the Compton speech and language screening evaluation and the Fluharty preschool speech and language screening test. Schetz, K. F. Jan. 1985, 16-24.

Language Identification Screening Test for kindergarten: A comparison with four screening and three diagnostic language tests. Illerbrun, D., Haines, L., & Greenough, P. October 1985, 280-292.

The Token and Reporter's Tests: Use with 123 language-disordered students. Hall, P. K., & Jordan, L. S. October 1985, 244-255.

The Token and Reporter's Tests using two scoring conventions: A normative study with 286 grade and junior high students. Jordan, L. S., & Hall, P. K. October 1985, 227-243.

Assessment

Collecting language samples from children with syntax problems. Wren, C. T. April 1985, 83-102.

Language Identification Screening Test for kindergarten: A comparison with four screening and three diagnostic language tests. Illerbrun, D., Haines, L., & Greenough, P. October 1985, 280-292.

A note on the use of Hiskey-Nebraska test of learning aptitude with deaf children. Watson, B. U., & Goldgar, D. E. Jan. 1985, 53-57.

A study of the syntactic language skills of normal school-age children. Klecan-Aker, J. S., & Hedrick, D. L. July 1985, 187-198.

Testing the receptive language skills of severely handicapped preschool children. Pecyna, P. M., & Sommers, R. K. Jan. 1985, 41-52.

Intervention

Communication board use in severely handicapped learners. Reichle, J., & Yoder, D. E. July 1985, 146-157.

Teaching discriminative use of an encoding electronic communication device and signing exact English to a moderately handicapped child. Reichle, J., & Ward, M. Jan. 1985, 58-63.

Nonspeech Communications Systems

Additional resources—Supplement to information on battery-operated toys. Backiel, T. Jan. 1985, 79.

Communication board use in severely handicapped learners. Reichle, J., & Yoder, D. E. July 1985, 146-157.

Teaching discriminative use of an encoding electronic communication device and signing exact English to a moderately handicapped child. Reichle, J., & Ward, M. Jan. 1985, 58-63.

Auditory Selective Attention

Auditory selective attention in cerebral-palsied individuals. Laraway, L. A. October 1985, 260-266.

SPEECH

Nature of Normal Speech

Development of Speech and Voice

Incidence of fronting in preschool children. Lowe, R. J., Knutson, P. J., & Monson, M. A. April 1985, 119-123.

Anatomy and Physiology of the Adult Speech

Common misconceptions about oral pharyngeal structure and function. Pannbacker, M. Jan. 1985, 29-33.

Speech and Voice Disorders

Articulation and Resonance Disorders

The contribution of phonetic context to an unusual phonological pattern: A case study. Leonard, L. B., & Leonard, J. S. April 1985, 110-118.

Language abilities of articulatory-disordered school children with multiple or residual errors. Gross, G. H., St. Louis, K. O., Ruscello, D. M., & Hull, F. M. July 1985, 171-186.

Response to Peterson-Falzone (Letter to the Editor). Andrews, M. L. April 1985, 140-141.

Physiologically Based Speech Disorders

Adapted cuing technique for use in treatment of dyspraxia. Klick, S. L. October 1985, 256-259.

Voice and Other Laryngeal Disorders

Effect of teacher training sessions on listener perception of voice disorders. DeGregorio, N. J., & Polow, N. Jan. 1985, 25-28.

Response to Madison, Meadors, and Miller (Letter to the Editor). Pannbacker, M. July 1985, 223.

Response to Peterson-Falzone (Letter to the Editor). Andrews, M. L. April 1985, 140-141.

Assessment and Intervention

Screening

Comparison of the Compton speech and language screening evaluation and the Fluharty preschool speech and language screening test. Schetz, K. F. Jan. 1985, 16-24.

Effect of teacher training sessions on listener perception of voice disorders. DeGregorio, N. J., & Polow, N. Jan. 1985, 25-28.

Assessment

Comparison of three phonological analysis procedures. Paden, E. P., & Moss, S. A. April 1985, 103-109.

Intervention

Adapted cuing technique for use in treatment of dyspraxia. Klick, S. L. October 1985, 256-259.

A model of services for young handicapped children. Jelinek, J. A. July 1985, 158-170.
Use of visual techniques in therapy for developmental apraxia of speech. Shelton, I. S., & Garves, M. M. April 1985, 129-131.

Articulation Cuing Technique

Adapted cuing technique for use in treatment of dyspraxia. Klick, S. L. October 1985, 256-259.

PROFESSIONAL AND GENERAL SCIENTIFIC ISSUES

PROFESSIONAL AFFAIRS

Professional Standards and Ethics

Certification requirements for public school speech-language pathologists in the United States. Bullett, M. S. April 1985, 124-128.

Governmental and Professional Regulations

Certification requirements for public school speech-language pathologists in the United States. Bullett, M. S. April 1985, 124-128.

Service Provision Models and Problems

Computerized reporting in a public school program. Krueger, B. April 1985, 135-139.
Effect of teacher training sessions on listener perception of voice disorders. DeGregorio, N. J., & Polow, N. Jan. 1985, 25-28.
The need for speech-language pathologists in California public school districts: A survey of school year 1980-81. Diaz, S. Jan. 1985, 34-40.
Neglected language-disordered adolescent: A delivery model. McKinley, N. L., & Lord-Larson, V. Jan. 1985, 2-15.

Interdisciplinary Concerns

A survey of special educators' awareness of, experiences with, and attitudes toward nonverbal communication aids in the schools. Shrewsbury, R. G., Lass, N. J., & Joseph, L. S. October 1985, 293-298.

PROFESSIONAL TRAINING

Education and Continuing Education

Certification requirements for public school speech-language pathologists in the United States. Bullett, M. S. April 1985, 124-128.
Effect of teacher training sessions on listener perception of voice disorders. DeGregorio, N. J., & Polow, N. Jan. 1985, 25-28.
A survey of special educators' awareness of, experiences with, and attitudes toward nonverbal communication aids in the schools. Shrewsbury, R. G., Lass, N. J., & Joseph, L. S. October 1985, 293-298.

Computer Applications in Com

Computerized reporting in a public school program. Krueger, B. April 1985, 135-139.

Quality Assurance

Response to Madison, Meadors, and Miller (Letter to the Editor). Pannbacker, M. July 1985, 223.

TITLE INDEX

Adaptation of the pictorial self-concept scale to measure self-concept in young hearing-impaired children. Culross, R. R. April 1985, 132-134.
Adapted cuing technique for use in treatment of dyspraxia. Klick, S. L. October 1985, 256-259.
Additional resources—Supplement to information on battery-operated toys. Backiel, T. Jan. 1985, 79.
Auditory selective attention in cerebral-palsied individuals. Laraway, L. A. October 1985, 260-266.
Benefits of total communications as perceived by parents of hearing-impaired children. Matkin, A. M., & Matkin, N. D. Jan. 1985, 64-74.
Certification requirements for public school speech-language pathologists in the United States. Bullett, M. S. April 1985, 124-128.
Collecting language samples from children with syntax problems. Wren, C. T. April 1985, 83-102.
Common misconceptions about oral pharyngeal structure and function. Pannbacker, M. Jan. 1985, 29-33.
Communication board use in severely handicapped learners. Reichle, J., & Yoder, D. E. July 1985, 146-157.
Comparison of the Compton speech and language screening evaluation and the Fluharty preschool speech and language screening test. Schetz, K. F. Jan. 1985, 16-24.
Comparison of three phonological analysis procedures. Paden, E. P., & Moss, S. A. April 1985, 103-109.
Computerized reporting in a public school program. Krueger, B. April 1985, 135-139.
The contribution of phonetic context to an unusual phonological pattern: A case study. Leonard, L. B., & Leonard, J. S. April 1985, 110-118.
Effect of teacher training sessions on listener perception of voice disorders. DeGregorio, N. J., & Polow, N. Jan. 1985, 25-28.
An exploratory investigation of the comprehension of English through Sign English (Siglish) and seeing essential English (SEE_1). Deal, R. E., & Thorton, R. B. October 1985, 267-279.
Hearing conservation in secondary industrial arts classes: A challenge for school audiologists. Plakke, B. L. Jan. 1985, 75-79.
Incidence of fronting in preschool children. Lowe, R. J., Knutson, P. J., & Monson, M. A. April 1985, 119-123.
Language abilities of articulatory-disordered school children with multiple or residual errors. Gross, G. H., St. Louis, K. O., Ruscello, D. M., & Hull, F. M. July 1985, 171-186.
Language Identification Screening Test for kindergarten: A comparison with four screening and three diagnostic language tests. Illerbrun, D., Haines, L., & Greenough, P. October 1985, 280-292.
Metalinguistic awareness in normal and language-disordered children. Kamhi, A. G., & Koenig, L. A. July 1985, 199-210.
A model of services for young handicapped children. Jelinek, J. A. July 1985, 158-170.
The need for speech-language pathologists in

California public school districts: A survey of school year 1980-81. Diaz, S. Jan. 1985, 34-40.

Neglected language-disordered adolescent: A delivery model. McKinley, N. L., & Lord-Larson, V. Jan. 1985, 2-15.

A note on the use of Hiskey-Nebraska test of learning aptitude with deaf children. Watson, B. U., & Goldgar, D. E. Jan. 1985, 53-57.

Response to Madison, Meadors, and Miller (Letter to the Editor). Pannbacker, M. July 1985, 223.

Response to Peterson-Falzone (Letter to the Editor). Andrews, M. L. April 1985, 140-141.

A study of the syntactic language skills of normal school-age children. Klecan-Aker, J. S., & Hedrick, D. L. July 1985, 187-198.

A survey of classroom teachers' and special educators' knowledge of and exposure to hearing loss. Lass, N. J., Carlin, M. F., Woodford, C. M., Campanelli-Humphreys, A. L., Judy, J. M., & Hushion-Stemple, E. A. July 1985, 211-222.

A survey of special educators' awareness of, experiences with, and attitudes toward nonverbal communication aids in the schools. Shrewsbury, R. G., Lass, N. J., & Joseph, L. S. October 1985, 293-298.

Teaching discriminative use of an encoding electronic communication device and signing exact English to a moderately handicapped child. Reichle, J., & Ward, M. Jan. 1985, 58-63.

Testing the receptive language skills of severely handicapped preschool children. Pecyna, P. M., & Sommers, R. K. Jan. 1985, 41-52.

The Token and Reporter's Tests: Use with 123 language-disordered students. Hall, P. K., & Jordan, L. S. October 1985, 244-255.

The Token and Reporter's Tests using two scoring conventions: A normative study with 286 grade and junior high students. Jordan, L. S., & Hall, P. K. October 1985, 227-243.

Use of visual techniques in therapy for developmental apraxia of speech. Shelton, I. S., & Garves, M. M. April 1985, 129-131.
